Memo No.- MU(R)/21/D/497/26 **Date: 03/06/2026**

NOTICE

In pursuance of Memo No. **660(31)-Edn(U)/HED-12016(99)/23/2026-UNV SEC-Dept. of HE**, dated **22.05.2026**, issued by the Senior Special Secretary, Department of Higher Education (University Branch), Government of West Bengal, and in view of the increasing need for prudent utilization of financial resources, environmental sustainability, and responsible energy management, all teachers, officers, employees, students, and stakeholders of the University are hereby requested to strictly adhere to the following austerity measures, energy conservation practices, and sustainable initiatives with immediate effect.

Austerity, Energy Conservation and Sustainable Practices:

1. Maximum use of video conferencing, virtual meetings, and digital platforms for official work, reviews, and communication, while also exploring work-from-home arrangements wherever feasible without compromising efficiency.
2. Reduction of non-essential travel and promotion of public transport, carpooling, and electric mobility wherever feasible.
3. Adoption of suitable energy conservation measures across all University campuses and offices.
4. Promotion of paperless functioning through e-office practices and minimization of all avoidable expenditure.
5. Preference for domestically manufactured products and encouragement of “Swadeshi” initiatives.
6. Encouragement of sustainable consumption practices, efficient logistics systems, waste reduction, recycling, and responsible use of natural resources.
7. Promotion of awareness regarding healthy and sustainable lifestyle practices, including the use of locally produced edible oils, natural and eco-friendly farming practices, and other environmentally responsible initiatives.

All Heads of Departments, Coordinators, Departmental In-Charges, and university officials are requested to ensure compliance with the above measures and to create awareness among the members under their respective jurisdictions.

The cooperation and active participation of all members of the University community are essential for achieving a sustainable, environmentally responsible, and resource-efficient campus.

This may be treated as important and complied with accordingly.
